FOREWORD

This list of Rover Distributors and Dealers has been compiled as accurately as possible at the time of going to press. It is, however, subject to alteration at any time and there can be no responsibility for any delay, loss or inconvenience occasioned by any inaccuracy.

The book is divided into two parts, the first section covers Rover Distributors and Dealers in the British Isles. In the second part will be found the Overseas Rover Distributors and Dealers.

BRITISH ISLES

Distributors and Dealers in the British Isles are set out against an alphabetical list of the towns in which they are situated.

Distributors are shown in bold type block capitals, Area Dealers are indicated by bold type lower case, and other Dealers are printed in ordinary type lower case.

OVERSEAS

The Overseas Distributors and Dealers are arranged in alphabetical order of countries or territories.

The name and address of the Distributor for each country is shown in block capitals, with the Dealers set out below against an alphabetical list of the towns in which they are situated.

Where a country or territory is divided between several Distributors, they are arranged in alphabetical order of towns, each with their respective Dealers listed in similar fashion.
